

2008 Sandpipers Fashion Show
Silent Auction
10:00 a.m. – 12:30 p.m.

Rules for Silent Auction Bidding:

- A bid sheet will be displayed with each package. You may bid on packages by placing your bidder sticker with your bidder number next to the amount you wish to bid. All bid amounts will be pre-printed on the bid sheet. After you have placed your bidder sticker on the bid sheet, it may not be removed.
- You can automatically win an auction item by placing a sticker next to the “Guaranteed Purchase” amount indicated in the lower right corner of the bid sheet and notifying an auction attendant to pull the bid sheet. That package’s bid sheet will immediately be removed from the auction table, and we will no longer accept any other bids on that item.
- The Silent Auction will close by category. At approximately 12:15 p.m. a warning will be given to announce which section(s) will close first. The person whose name appears opposite the highest bid at the time the section bidding is closed is the winner and will purchase the package.

Procedures for Silent Auction Check Out:

- Sandpipers is pleased to present **ExpressPay for all Silent Auction bidders.** ExpressPay processing works like this: You will be asked to swipe your credit card at registration. We will print a \$0.00 receipt for your signature. If you are the successful bidder on an auction package, we will use this credit card to process your payment for packages and deliver all small packages to your table. (No waiting in line to check-out!) If you do not make any silent auction purchases, your card **will not** be charged.
- If you are the high bidder on a package an invoice will be presented to you during the Fashion Show and luncheon. Sandpipers requires that all purchases be paid in full at the event. Available payment methods for the silent auction are MasterCard and VISA credit cards swiped through ExpressPay only.
- The packages have been catalogued with an effort to describe each as accurately as possible. All items have been donated and are sold “as is.” Sandpipers does not assume any responsibility as to the authenticity, condition or fitness for use. All sales are final. Please do not contact the donor for an exchange or refund.
- Dates for vacation and travel packages are subject to the mutual availability and agreement between the donor and the buyer, as well as any restrictions noted on the bid sheets and/or gift certificates. Reservations with airlines and hotels should be made as soon as possible. Please also note expiration dates and/or other restrictions on gift certificates and gift cards.
- Sandpipers is a non-profit organization. Your donations are tax-deductible to the fullest extent allowed by law.
